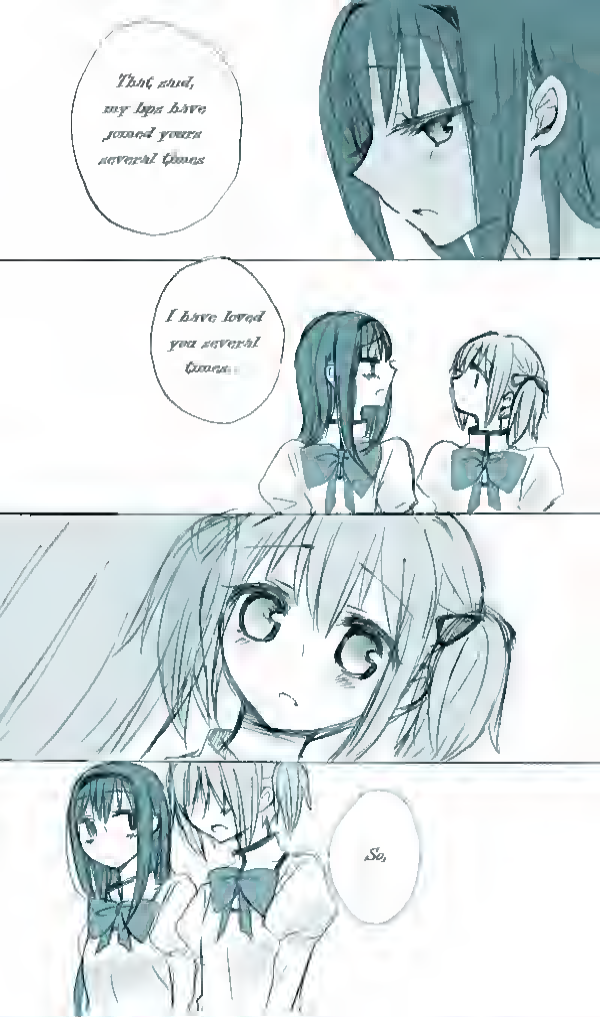
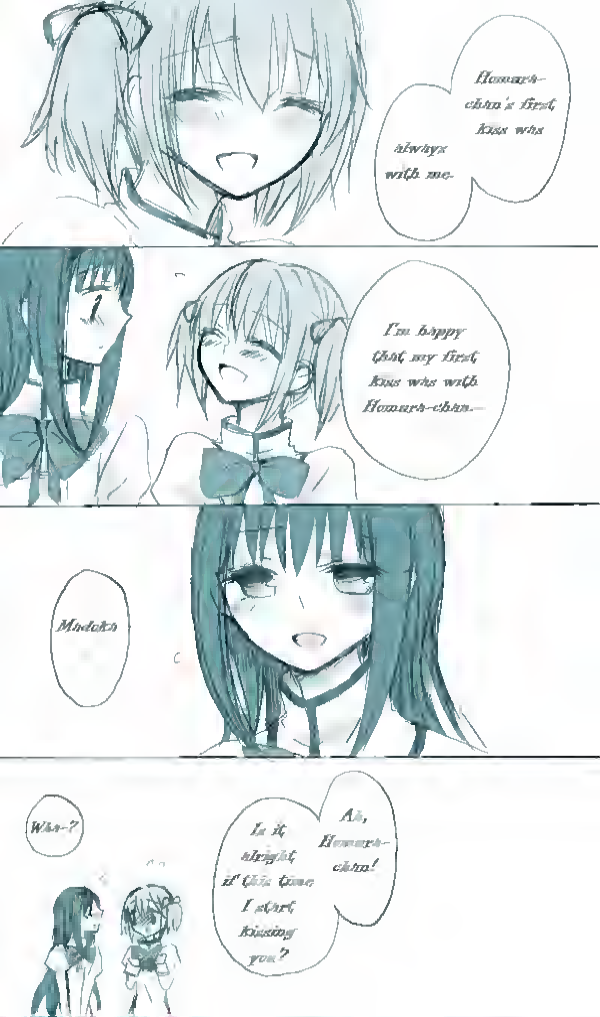
Skillful

Hm—
You could say that.
That's because I've kissed Mudaki several times before
My first kiss and my second kiss too
I haven't kissed anyone other than Mudaki
Kiss anyone else
Nor do I want to



That said, my lips have found yours several times
I have loved you several times
So,



Homura-chan's first kiss was always with me.
I'm happy that my first kiss was with Homura-chan.
Madoka
Ah, Homura-chan!
Is it alright if this time I start kissing you?
Wha-?

I want to practice kissing even more...
W, will you um
...
Okay...
